FYI-

As previously mentioned, I debriefed Amy on Monday after our meeting and let her know that we were looking for more concrete information regarding a timely act. She crafted the below email and attached a timeline to help with this effort. I will begin crafting the memo that we also discussed.

Dear Brittany:

Attached is a timeline. With more time I could add to the timeline and some items may need more explanation over the phone.

I really encourage that we reach out to Complainant to get more details.
